## **Parking**

- Parking on the street is free and time unlimited. Visitors are also welcome to park in any of the carparks across our four buildings. Please be aware that there are a couple car spaces which are reserved and not able to be used. These reserved parks have signage indicating this, or display a name sign at the front of the parking space.

## **General Information**

- Unless simply dropping off samples to our Sample Receipt section, all visitors to our site must sign-in using our Visitors log book in our Reception area.
- Lastly, our Eurofins | mgt site is a laboratory, so please remember if you are venturing beyond Reception or Administration areas then you will need to wear enclosed shoes. We are able to provide safety glasses and a visitor lab coat.
